ENABLE FRONTLINE WORKSHOP

Get ready to achieve more with Microsoft Teams

Designed as a comprehensive hub for teamwork, Microsoft Teams helps organisations improve collaboration and increase efficiency by automating key business processes. With Transparity's Enable Frontline Workshop, you will work through various Frontline Worker challenges and pain points to identify top prioritised scenarios for your Frontline Workforce.

During this 3-day workshop, our experts will walk you through the "art of the possible", identifying the needs of your Frontline Workforce to help solve your specific collaboration challenges. We'll explore opportunities to streamline business processes and improve your productivity, plus provide an implementation plan with next steps to help you achieve your desired goals.

Empower your frontline workforce to achieve more

Connect your workforce
- Chat, video and file sharing
- Walkie Talkie
- Praise

Digitise manual processes
- Shifts
- Tasks
- Power Automate
- Power Platform

Accelerate onboarding
- Stream on-demand video content
- Live events
- Teams channels

Empower with devices
- Industry-specific devices
- Wider choice of form factors
- Hands-free headsets

Protect your organisation
- Azure Active Directory identity and access management
- Microsoft Endpoint Management

We will work with you to...

Identify and prioritise key use case scenarios

Explore opportunities to streamline business processes and improve productivity outcomes

Provide an implementation plan and next steps to help you achieve your desired goals

Why Transparity?

Transparity's extensive experience with Teams can help you improve workforce productivity through identifying top prioritised scenarios in your frontline workforce, leveraging the Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Microsoft Teams investment.
